

## Adrianna Costa

Entertainment Anchor for CNN Headline News

**Age 25** Originally from Los Angeles, Calif.

**Five words that best describe me:** Fiercely loyal, fun, feisty, compassionate and private.

In an era defined by natural disasters and war, frothy diversions offer a welcome escape. CNN Entertainment Anchor for *Robin & Company*, *Headline News*' morning program, Adrianna Costa says, "I want what I do to be a relief to other people." Before moving to Atlanta in October, the Los Angelen held positions with both Access Hollywood and CBS, where she covered such celebrities as Lindsay Lohan, Matt Damon and Bruce Willis. Because the past seven years have abounded with nonstop travel, including treks to Boulder, Colo. (where she attended the University of Colorado), London and California, the journalist says she usually relaxes at home during downtime. Citing Kelly Ripa as a role model, the bubbly Costa describes her ideal man as having the physical attributes of Adrian Grenier coupled with the cool confidence of Dave Navarro. With her charming presence, feisty personality and exotic beauty, Costa's single status may soon be a thing of the past.

**Ideal mate:** A man who is confident and smart with big lips.
